This calf is out of the grand-dam of Curtis Candy Modesty which sold for \$2,500 in the 1945 Edellyn Farms sale. This load of Shorthorn feeders, grand champions over all breeds at the 1946 Denver National Western, averaged 475 lbs. each, sold for 47 cents a lb., brought \$223.25 apiece, highest total price ever paid per feeder steer. They were exhibited by the Winkler Sisters, Castle Rock, Colorado, and sold to Albert and Ed Fritzler, Sterling, Colorado.

A load of feeder steers of another breed, of the same age, while they sold for 50 $\frac{1}{4}$ cents per pound, weighed so much less that they actually brought their producers \$20 a head less than these Shorthorn steers.
